School Dinners

Just a reminder that if you would like your child to have a school dinner these need to be ordered through the Local food Links website

<https://www.localfoodlinks.org.uk>

If your child is in Reception, Year 1 or Year 2, they are entitled to free school meals.

Meal orders must be placed 7 days in advance.

If you have any further questions, please contact the office.

Car Park

Please can we remind all parents that the school car park is not for dropping off/collecting your children and parents should not be parking there unless it has been pre-arranged and agreed.

For safety reasons, we would also ask you to please use the paths to walk on and not the car park/road.

Thank you for playing your part to keep us all safe.

School Communication

Please do let us know if you feel the way we communicate is not right for you. We are always trying to listen to your comments, review our practice and improve.

It is a balancing act to share enough information but not to overload you at the same time and we all have our individual preferences and your feedback helps us review our communication methods.
