## Navigators Cooking Session

## Head Lice

Please can we ask that you are regularly checking your children's hair for headlice and treat if necessary.

Whilst lice are nothing more than a nuisance, it is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they are allowed to spread.

Further advice on the treatment of head lice can be found on the NHS website.

### **1<sup>st</sup> Charmouth Cubs Opportunity**

With two Cubs moving up to Scouts, we now have some vacancies in the 1st Charmouth Cub Pack. If your son or daughter would like to give Cubs a try, then just let me know. The first four weeks are free of charge.

Over the next few weeks we are going climbing at the new Jurassic Ridge Centre at Seal's Cove in Bridport, doing team building exercises and having a Christmas party.

Interested, please contact me on: 07976 534517 - [payne.kevin6@gmail.com](mailto:payne.kevin6@gmail.com)

First come - first served!

**NB:** One parent will be expected to help out at a meeting at least once every six weeks.

### **Allergies and Dietary Requirements**

If your child has any allergies or dietary requirements, please contact the school office so we can update our records, even if your child usually has packed lunch.

This will enable us to keep children safe, plan effectively for cooking sessions and ensure all children are included in any special events or celebrations.

**Thank you.**

### **A very BIG thank you!**

We would like to say a really BIG thank you to Mr Cook and Mr Feasey for their amazing help in removing the large branch that had come down in front of the school.

### **Maths Workshop**

Thank you to all the parents/carers who came to the maths workshop on Thursday. During the session, parents had the opportunity to hear about how we teach maths and explore some of the resources we use.

*'Very useful and informative session. Enjoyed seeing children in the classroom. Great to spend time with a passionate teacher and learning about how children learn, Thank you very much!'*

There will be another workshop next half term and we welcome any feedback on what you would like this to be on. Please email the school office with your suggestions.

### **Children in Need**

Thank you to everyone for bringing in your coins today.

We managed to create a line of our corridor and then back again spanning over 70 metres!

We are busy counting up how much we made and will share this with you next week.

### **Library Helper**

Could you spare an hour a week between 12 noon and 1pm to tidy, organise and assist pupils in making full use of this great resource? Please contact the office if you are able to help. Thank

you

## **Flu Vaccination Day**

We are pleased to confirm that the flu vaccination will be offered in schools this Autumn/Winter to help protect your child. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also protect more vulnerable friends and family by preventing the spread of flu.
